

## SERVICES

### Full Management Service

Parker Properties offer a property management service to landlords, where it is agreed that the service provided by the agent will be:-

The Full Management Service includes:-

1. Free rental valuation, advising the landlord as to the current rental valuation of your property, whilst every endeavor on our part will be made to achieve this valuation, no guarantees can be made
2. Marketing of your property with colour information sheets, window displays, local media and several internet sites. This will include the showing of your property to potential tenants.
3. All potential tenants undergo a rigorous vetting procedures which include credit searches, previous landlords checks and employment references. Where necessary, additional security would be requested by means of a guarantor.
4. Drawing up of the Assured Shorthold Tenancy agreement and having two copies signed by the tenants. This will ensure that the landlord is protected by all the current relevant Housing Acts. Renewals of the tenancy agreement, where necessary at the end of the fixed term. The Agent will advise the Tenant(s) of their obligations under the terms of the Tenancy Agreement clearly and the consequences of any breaches of the tenancy agreement, prior to the signing of the Tenancy Agreement.
5. A security deposit is taken from the tenant which amounts to a month and a half's rent. This deposit will be registered with The Dispute Service and will be used should there be any unfair wear or tear at the end of the tenancy.
6. A comprehensive inventory of the condition of the property will be compiled prior to the commencement of the tenancy.
7. The Agent will collect rent monies and pay landlords by direct bank transfer, wherever possible. A statement of accounts will follow each payment. A full set of end of year accounts can be produced for landlords, showing all activities throughout the previous twelve months. There will be an additional charge should you require this service.
8. Liaising with the tenants, for them to change over the responsibility of the utility providers.
9. Regular inspections of the Property are carried out on a quarterly basis. Reports of each inspection are sent directly to the Landlord.
10. Being the first point of contact for your tenants regarding repairs or maintenance, co-ordinating with tradesmen, getting quotes where necessary, supervising the work and paying contractors from rents received.
11. Full property inspections and inventory checks are performed at the end of each tenancy, checking for any unfair wear or tear and damaged/missing items of landlords' property.
